INDEX OF 1972 ARTICLES—JANUARY-DECEMBER

MANAGEMENT

Electropaint, Powder Coat, Radiate—Which? Why? ..... Jan
A Case for Quality in Steelcase ..... Feb
The Future for Custom Powder Coating ..... Mar
Preventing Make-Up Air Problems in Paint Spraying ..... Apr
There's More to a Finish Than Paint or Chrome ..... Apr
Anderson Makes Switch to In-Plant Finishing ..... Apr
Powder Finishing Coming of Age ..... Apr
What About the Color Capability of Powder? ..... Apr
Automating Electroplating for Survival ..... May
How to Get The Best Buy in Powder Coatings ..... May
How to Keep Finishing Out of the Twilight Zone ..... Jun
Chicago's Approach to Sewer Discharge Violations ..... Jul
What's in the Future for Industrial Coatings? ..... Aug
AES Report on Anodizing Problem Solving ..... Aug
Computer Aids Color Formulation at Lyon ..... Sep
Platers' Forum Considers Job Shop Problems ..... Sep
Pollution: Cope With It or Avoid It—Part I ..... Sep
Pollution: Cope With It or Avoid It—Part 2 ..... Oct
What's in the Future for Plating? ..... Nov
Cost-Reduction Ideas from Electrocoat '72 ..... Nov
The Survey Approach to Waste-Water Treatment ..... Nov
Foam-Type Wrapping Protects Plated Parts ..... Dec
Safety in EPS Is More than Adherence to Codes ..... Dec
Plating Waste Treatment—the High Cost of Compliance ..... Dec

CLEANING/PRETREATMENT

Science and Application of Ultrasonic Cleaning ..... Jan
Metal Pretreatment for Powder Coating ..... Feb
Pretreatment in an Ecologically-Aware Society ..... Feb
Automatic Replenishment Ends Phosphating Dilemma ..... Mar
Pretreatment System Replaced Over Two Weekends ..... Apr
Surface Preparation for Powder Coating ..... May
The Basics of Vapor Degreasing ..... Jun
Substrate Preparation by Blast Cleaning ..... Jun
Alkaline Cleaning as Prelude to Pretreatment ..... Jun
Will Powder Coating Obsolete Pretreatment? ..... Jun
Pretreatment Changes Lead to Paint Savings ..... Jul
Coil Coaters Look at Anti-Corrosion Pretreatment ..... Jul
Methylene Chloride for Vapor Degreasing! ..... Aug
see Pollution: Cope With It or Avoid It—Part 1 ..... Sep
Substitute for Chromic Acid Rinse ..... Sep
Paint Stripping Updated ..... Oct
A Major Step Toward Anti-Pollution Pretreatment ..... Nov
A No-Rinse Pollution-Free Conversion Coating ..... Nov
Cold Solvent Spraying Cuts Degreasing Costs 25% ..... Dec

POLLUTION CONTROL

Platers Discuss Rinse Water Treatment—Part 1 ..... Jan
Platers Discuss Rinse Water Treatment—Part 2 ..... Feb
see Abstracts from International Anti-Pollution Coating Seminar ..... Feb
Compact Ion Exchanger Treats Chromate Rinse ..... Mar
Chicago's Approach to Sewer Discharge Violations ..... Jul
see Water-Based Coatings—A Progress Report ..... Jul
Coil Coaters Look at Energy Crisis, Pollution Control, OSHA, and Anti-Corrosion Pretreatment ..... Jul
Closed-Loop Process for Recycling of Plating Wastes ..... Sep
Pollution: Cope With It or Avoid It—Part I ..... Sep
Pollution: Cope With It or Avoid It—Part 2 ..... Oct
Saving Dragout Keeps Plater Within Discharge Limits ..... Oct
see Waste Treatment Abstracts from Coil Coaters' Fall Meeting ..... Nov
see Air Pollution Control Abstracts from Coil Coaters' Fall Meeting ..... Dec
Cyanide-Free Zinc Plating at Speed Queen ..... Dec
How Burndy Recycles Plating Rinse Waters ..... Dec
Plating Waste Treatment—The High Cost of Compliance ..... Dec

FINISHING

Powder Coating Pipe for the Alaskan Pipeline ..... Jan
Prefinishing Louvered Wood Doors ..... Jan
More Copper in PC Board Holes Brings Big Savings ..... Jan
Powder Coating Cuts Material Costs 28% ..... Jan

Conveyor Loops Add to Electrostatic Versatility ..... Jan
A Case for Quality in Steelcase ..... Feb
Portable Powder Recovery Unit Facilitates Color Changing ..... Feb
New Finishing Line Ups Mirror Production 800% ..... Feb
Powder Coating Outdoor Furniture at Tropitone ..... Feb
High Production EPS Line At Bunting ..... Mar
Fluidized Bed Coats Current Coils with Epoxy ..... Mar
Compact Ion Exchanger Treats Chromate Plating Rinse ..... Mar
Hardboard Line Finishes 9000 Units a Day ..... Mar
There's More to a Finish than Paint or Chrome ..... Apr
Anderson Makes Switch to In-Plant Finishing ..... Apr
Complete Plating-on-Plastics Capability ..... Apr
Automating Electroplating for Survival ..... May
Custom Coater Uses Movable EDP Tanks ..... May
Production Finishing of Kitchen Cabinets ..... May
see Powder Coating '72— Abstracts of 19 Papers ..... May
EDP Finishing for Outdoor Electric Power Outlet Boxes ..... Jun
Plating on Plastics— What's It All About? ..... Jun
Powder Coating Tractors in Japan ..... Jun
How PGA-Victor Woods Are Finished ..... Jul
Spot-Free Rinsing of Anodized Parts ..... Jul
Plating Machine Used for Electropainting ..... Jul
Finishing Metal and Plastic Furniture ..... Jul
EDP Priming and Electrostatic Finishing for Whirlpool's Compactor ..... Aug
AES Report on Anodizing Problem Solving ..... Aug
Diver Retrieves Parts in EDP Tank ..... Aug
Computer Aids Color Selection at Lyon Metal Products ..... Sep
Closed-Loop Recycling of Plating Wastes ..... Sep
How Ultrafiltration Benefits Equipto ..... Sep
How Ultrafiltration Benefits Ford ..... Sep
Powder Coating Ornamental Iron at Barbeau ..... Sep
How Interlake Electropaints Large Steel Frames ..... Oct
Saving Dragout Keeps Plater Within Discharge Limits ..... Oct
Organosol Gives Surface Durability to Refrigerators ..... Oct
What's in the Future for Plating? ..... Nov
Silicone-Polyester Finish for Stadium Seating ..... Nov
UF Aids Conveyorized and Batch-Type EDP Systems ..... Nov
How Aeolian Applies Traditional Piano Finishes ..... Nov
In EPS Finishing, Safety Is More Than Adherence to Codes ..... Dec
Cyanide-Free Zinc Plating at Speed Queen ..... Dec
Finishing Aluminum Extrusions by the EDP Process ..... Dec

COIL COATING
Precoat Metals Starts Up Second Coil Line ..... Jan
Coil Coating/Forming Line Uses Water-Based Primer ..... Feb
Litho-Strip Coil Line Stresses Flexibility ..... May
Coil Coaters Look at Energy Crisis, Pollution Control, OSHA, and Anti-Corrosion Pretreatment ..... Jul
Waste Treatment Abstracts from Coil Coaters' Fall Meeting ..... Nov
Air Pollution Control Abstracts from Coil Coaters' Fall Meeting ..... Dec
Reynolds' New Coil Coating Line ..... Dec

FINISHING TECHNOLOGY, COATING DEVELOPMENTS
Purifying Compressed Air for Electroforming ..... Feb
Portable Powder Recovery Unit Facilitates Color Changing ..... Feb
Auto Plant Upgrades Spray Booth Exhaust System ..... Mar
Cellulosic Powder Coatings for Tough Specifications ..... Apr
What About the Color Capability of Powder Coatings? ..... Apr
see Powder Coating '72— Abstracts of 19 Papers ..... May
Quick-Release Lining Speeds Spray Booth Cleanup ..... May
see NASA Sputtering and Ion Plating Conference ..... May
Vacuum Coaters See Need for Water-Based Coatings ..... May
RCA's Technique for Plating "Unplatable" Plastics ..... May
Temporary Protective Coatings for Stainless Steel ..... Jun
Plating on Plastics— What's It All About? ..... Jun
Water-Based Coatings—A Progress Report ..... Jun
UV-Curable Coatings in Dramatic Growth ..... Aug
Humidity Control in Color Spray Booths at American Motors ..... Aug
Plasma Flame Spraying at IBM ..... Aug
Computer Aids Color Formulation at Lyon Metal Products ..... Sep
Paint Stripping Updated ..... Sep
How Ultrafiltration Benefits Equipto ..... Sep
How Ultrafiltration Benefits Ford ..... Sep
UF Aids Conveyorized and Batch-Type EDP Systems ..... Nov
